

For use with
Google Classroom

Counting On Christmas

Look at the number below. Count on using the pictures to find the total.

Place the star on the correct answer.

Created by: Julie Davis

Made for Google Classroom

- Google Classroom can be used in Kindergarten and 1st Grade too!
- These are great to use with younger students as they are learning Google Classroom.
- Perfect addition to your math and literacy centers!
- Fun and interactive games
- A fun way to use technology!

- You will receive 50 cards in this deck.
- On each card, students will look at the number. Then using the pictures, count on from that number to find the total.
