

For use with

Google Classroom

I Spy WINTER

Counting

Count how many  you see!

6

7

8

Look at the picture at the top. How many of those objects do you see in the box? Move the star to the correct number to show your answer.

Created by: Julie Davis

Made for Google Classroom

- Google Classroom can be used in Kindergarten and 1st Grade too!
- These are great to use with younger students as they are learning Google Classroom.
- Perfect addition to your math and literacy centers!
- Fun and interactive games
- A fun way to use technology!

- You will receive 30 cards in Google Slides.
- On each card, students will look for a certain picture, count how many they see, and cover the correct number with a star.
