

For use with

Google Classroom

Number of the Week

Build the Number

14

Created by: Julie Davis

Made for Google Classroom

- Google Classroom can be used in Kindergarten and 1st Grade too!
- These are great to use with younger students as they are learning Google Classroom.
- Perfect addition to your math stations and centers!
- Fun and interactive games
- A fun way to use technology!

Each number is broken down into 5 days of activities

- Day 1: video, build number, sort number, cover it up
- Day 2: video, build number, number maze
- Day 3: video, build number, count the objects, type the number
- Day 4: video, build the number, cover it up
- Day 5: video, build the number, sort the number, read the number

Sort the Numbers

Move the pictures into the correct 14 or not 14 jar.

The screen displays two jars: one labeled '14' and one labeled 'not 14'. To the right of the jars are several groups of objects for sorting: bundles of sticks, a grid of dots, and a bar graph.
