EASTER

Made for Google Classroom

- Google Classroom can be used in Kindergarten and 1st Grade too!
- These are great to use with younger students as they are learning Google Classroom.
- Perfect addition to your math and literacy centers!
- Fun and interactive games
- A fun way to use technology!

- You will receive 10 cards in Google Slides.
- On each card, students will look at the letters and use the snap cubes to match the beginning sounds by the color code.
