

Roll & Match INDEPENDENCE DAY

8 different designs with 2 choices for each!

Instructions

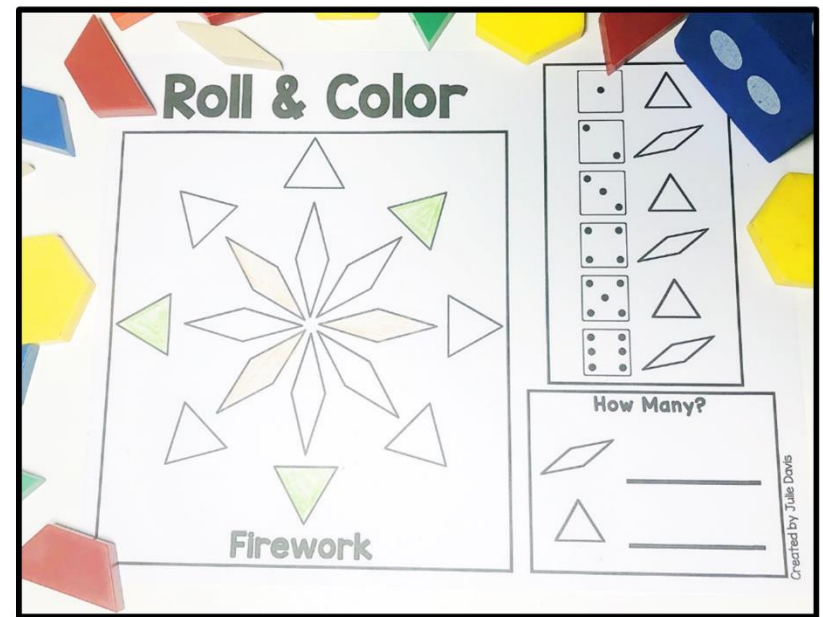

Roll & Match

Students will use a dice to roll a shape. The student will then find and name the corresponding shape, find a pattern block the same shape, and place it on the mat.

Students will keep rolling and match until the mat is full. When the mat is complete, the student will count how many of each shape and write it in the box.

Roll & Color

Students will use a dice to roll a shape. The student will then find and name the corresponding shape, find the matching pattern block, and color it the same color.

Students will keep rolling and coloring until the mat is full. When the mat is complete, the student will count how many of each shape and write it in the box.
