

Spin & Match

MEGA BUNDLE

10 different designs with 2 choices for each pack!

Instructions

Spin & Match

Students will use a paper clip and a pencil to place on the Spinner and Spin a shape. The student will then name the shape, find a pattern block the same shape, and place it on the mat. Students will keep Spinning and match until the mat is full. When the mat is complete, the student will count how many of each shape and write it in the box.

Spin & Color

Students will use a paper clip and a pencil to place on the Spinner and Spin a shape. The student will then name the shape, find the matching pattern block, and color it the same color. Students will keep Spinning and coloring until the mat is full. When the mat is complete, the student will count how many of each shape and write it in the box.
