

# Dough Sight Words

Pre-Primer

# Directions

This is a great activity for students to practice sight words! Included in this pack is all 40 Pre-Primer Sight Words. There are two printing options, black & white (to save ink) and color. Students will build the sight word on the top of the mat. They will then find and circle the sight word in the first box. In the second box, students will trace the sight word then write it independently. In the last box, students will pick three colors and rainbow write the word then write the word in the boxes. These sheets can be placed in dry erase sleeves or laminated so they can be used over and over. Perfect for word work centers, early finishers, and morning tubs! Please let me know if you have any questions!
