School

# How to Use

Students pick a mat and corresponding ten frame mat

Roll the dice and find the matching snap cube

Place the snap cube on the same color on the mat

Color in a square on the ten frame

# What Teachers are Saying...

"My students loved this "secret picture" game. Great for whole class or small group or pairs of students."

"I love that this resource gives students a chance to practice basic math skills while having fun learning! This is important to acquiring confidence in their math abilities!"

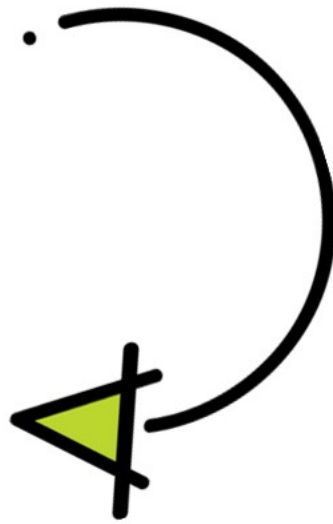

"I love using unifix and snap cubes in my class. The dice part was even more awesome. My kiddos are working on subitizing so this was good practice also. Love these!"
