How to Use

Students pick a mat color or black & white

Spin the spinner and find the matching pattern block

Place the pattern block on the same shape on the mat

When the picture is complete, count & record each shape

Ways to Use

Math Small Groups

Math Centers

Morning Bins

Early Finishers

STEM bins

and more!

What Teachers are Saying...

"Such a great center and my students were engaged with practicing shapes. I loved how there were two choices—fill in the shapes or color the corresponding shapes. Thank you!"

"This was a fun way to incorporate shapes into my math centers before we officially began that topic. My students are asking for more!"

"Adding the spinner to this activity was a great idea—depending on my group they could do it with or without the spinner. Loved it"
