What Teachers are Saying...

"My students loved this resource. It was a very meaningful activity to help the kids understand and compare stories. I will be looking for more activities like this in the future."

"I used this resource during our Gingerbread unit. Each day we added something new to our folder. The finished project is something I am sure parents will love and want to keep (I know I would). I covered everything we talk about when doing the unit (including all the stories we read). Great resource!!"

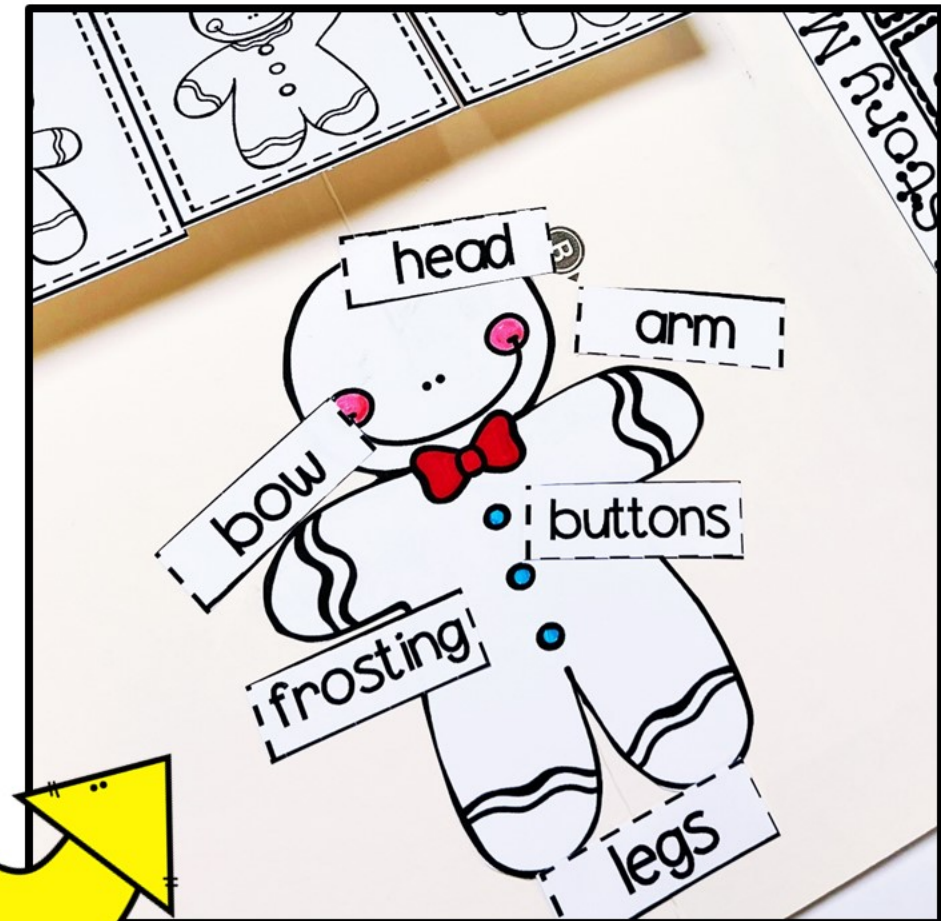

"This is fabulous! It was the perfect way for my kinder-bears to learn how to organize their thinking as we read different versions of the gingerbread man. Thank you."
