# What Teachers are Saying...

"Love the variety of writing activities included in this bundle. My kinder kiddos love the Spin a Silly Story and You Pick writing pages. You can easily change out the themes each month and differentiate for all students."

"I love this resource and the fact that they are differentiated for different levels. Some of my students are autistic, and some have other related communication disabilities!"

"This is such a great resource! I love the variety and the ability to use it all month long. So many options to choose from! So easy to prep!"
