Teacher Tips

❶ Prepare Materials

- scissors
- glue
- markers, crayons, or colored pencils
- copies of lapbook pages
- file folder, construction paper, or notebook (fold one side to the middle, then fold the other side to the middle)

❷ Create Lapbook

- Break the activities up into different days or sessions. I like to do one activity (flap) a day.
- Students will cut & glue each flap to the folder and complete the activity.
- Complete various activities throughout the week to place into folder.
- Decorate the front.
- Bring home to share with families.
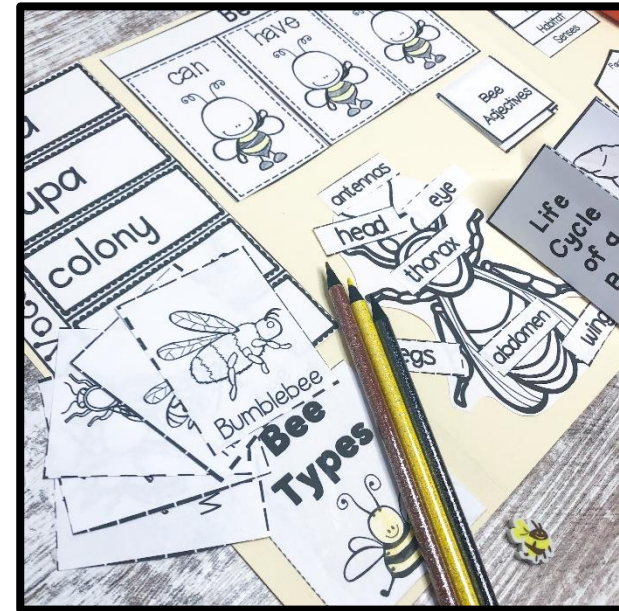

"My kids loved doing this! They couldn't wait to get to the book each day and were so excited to take the project home to share with their families!"

Layout Suggestion

Please feel free to use this however best suits the needs of you and your students. You may pick and choose which flaps to use. Do not feel like you must use them all, they will not all fit onto one file folder.
