Created by Julie Davis

How to Use

Students pick a mat color or black & white

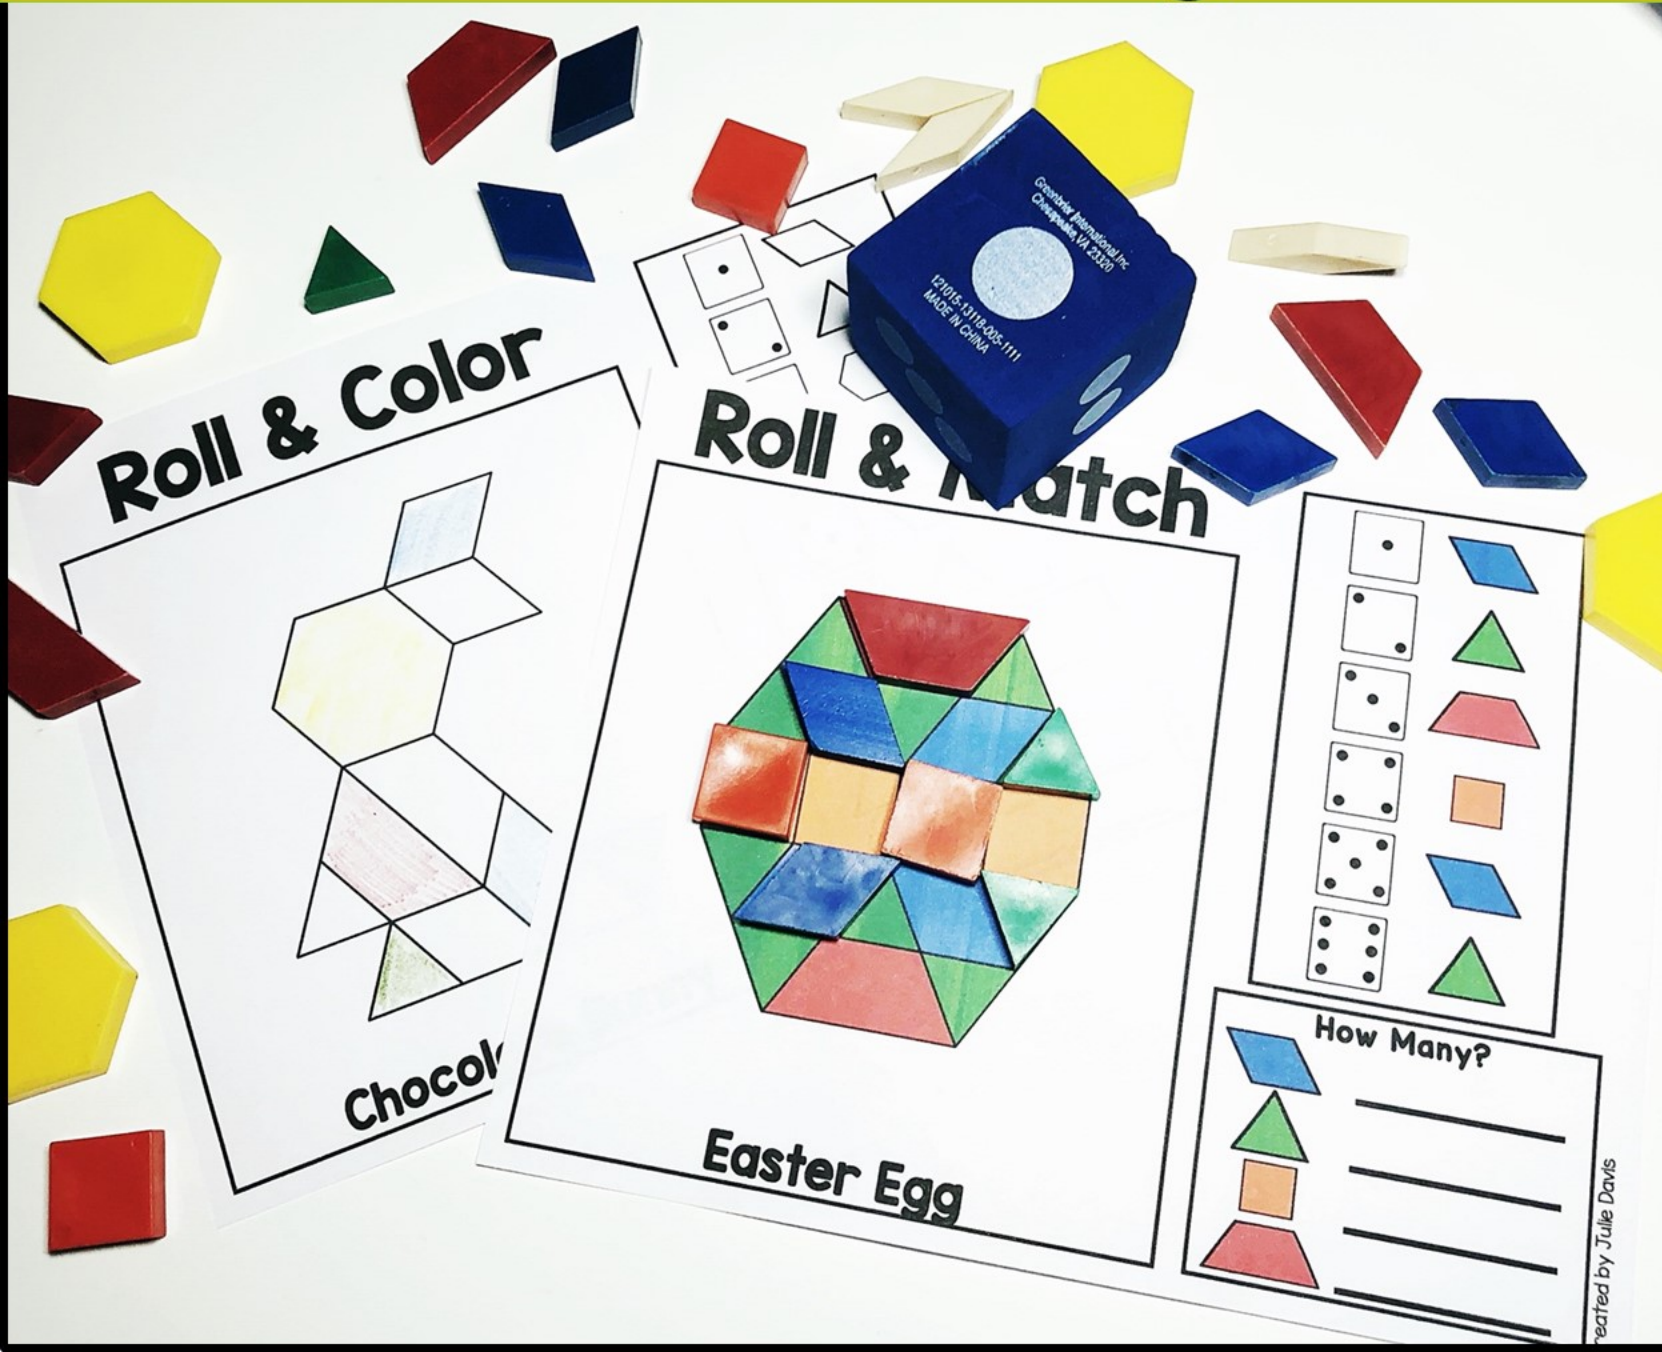

Roll the dice and find the matching pattern block

Place the pattern block on the same shape on the mat

When the picture is complete, count & record each shape

Ways to Use

Math Small Groups

Math Centers

Morning Bins

Early Finishers

STEM bins

and more!

What Teachers are Saying...

"Such a great center and my students were engaged with practicing shapes. I loved how there were two choices—fill in the shapes or color the corresponding shapes. Thank you!"

"Awesome math resource! These Easter math games are great for morning tubs, stem sessions, makerspace bins, math centers, and early finisher activities! I look forward to using this resource year after year! Thank you!"

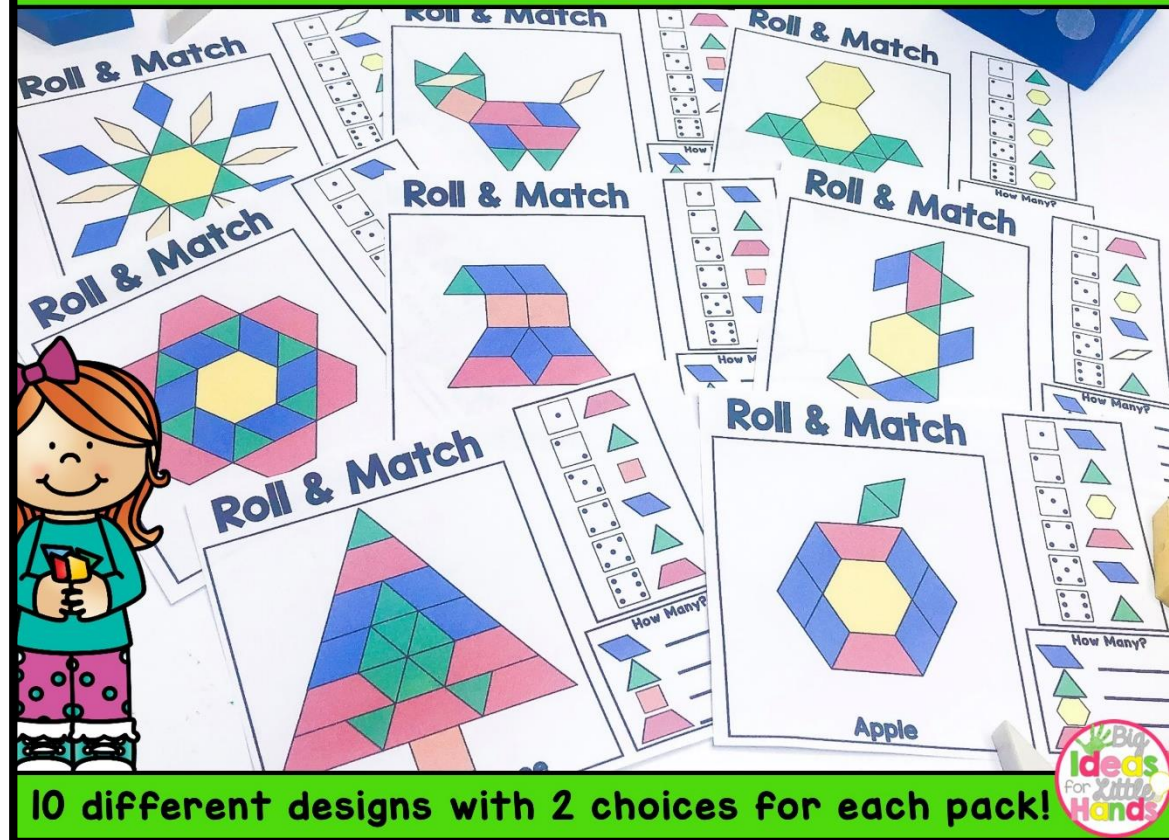

"These are so fun! I used them for quiet start centers and appreciate that my students can work on them independently."
