What Teachers are Saying...

"This is such a great twist to the typical snap cube centers I've used! I love that it incorporates letter and number ID as well! Such a hands-on and engaging center to use in K."

"LOVE this resource for math centers. Using them in bins ready to go. Can also be used as a morning work bin. Print, laminate, and go! Thanks for this awesome resource."

"This is a fantastic product for using snap cubes in literacy and math! It's chock full of engaging activities for constructing meaning!"
