How to Use

Students pick a mat and corresponding ten frame mat

Roll the dice and find the matching snap cube

Place the snap cube on the same color on the mat

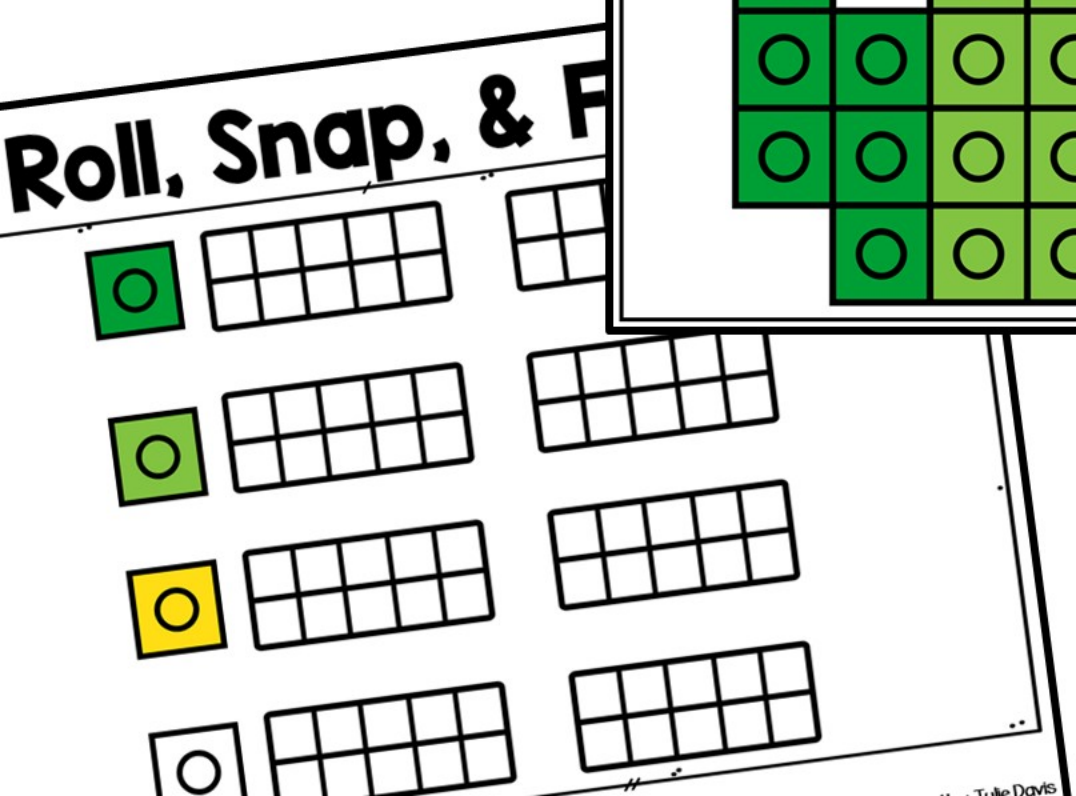

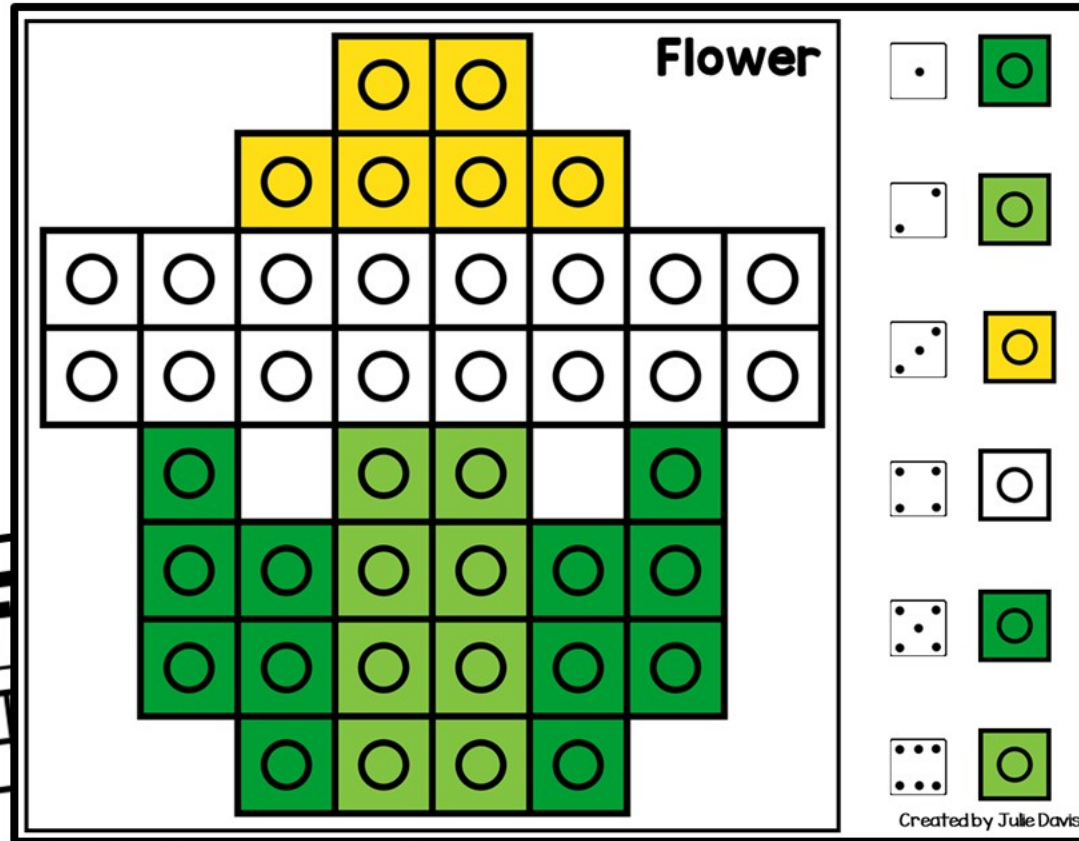

Color in a square on the ten frame

The image displays three components of the game:

- Top Left:** A ten frame mat with a bee-shaped grid. The top row has 2 grey squares. The second row has 4 grey squares. The third row has 4 yellow squares. The fourth row has 6 grey squares. The fifth row has 6 grey squares. The sixth row has 4 grey squares. The word "Bee" is written in the top right corner.
- Top Right:** A dice mat with a legend. It shows six dice faces with 1, 2, 3, 4, 5, and 6 dots. Next to each face is a corresponding colored square: 1 (white), 2 (yellow), 3 (grey), 4 (white), 5 (white), and 6 (yellow). The word "Bee" is written in the top right corner.
- Bottom Right:** A ten frame mat with a legend. It shows three colored squares: grey, yellow, and white. Next to each is a ten frame (two rows of five squares). The word "Bee" is written in the bottom right corner.

What Teachers are Saying...

"My students loved this "secret picture" game. Great for whole class or small group or pairs of students."

"I love that this resource gives students a chance to practice basic math skills while having fun learning! This is important to acquiring confidence in their math abilities!"

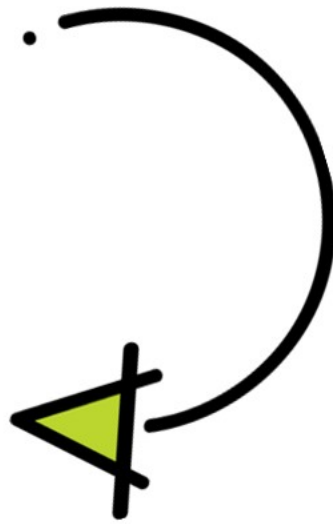

"I love using unifix and snap cubes in my class. The dice part was even more awesome. My kiddos are working on subitizing so this was good practice also. Love these!"
